## Bangkok Lounge

The Oman Air Lounge opened its doors at Suvarnabhumi Airport in November of 2011. It is open to our guests traveling in First or Business Class, and for those holding Gold and Silver Sindbad cards. The Oman Air Lounge is located conveniently on the second-floor junction between concourse G and concourse E of the international departure terminal.

The lounge offers an oasis of calm, serenity and exceptional comfort, ensuring a relaxing start to your journey that reflects the outstanding hospitality you will enjoy aboard our aircraft. As a guest, you are met at reception with a warm welcome by a staff that is waiting to accommodate your every need.

Take advantage of the extensive offering of snacks and refreshments from our "showpiece" buffet counter, along with a fully stocked bar offering alcoholic and non-alcoholic drinks. The lounge area features relaxation chairs and dimmed lighting providing you with the environment to unwind. Catch up with a daily selection of international newspapers and magazines, and enjoy the TV entertainment system, or stop by the well-equipped Business Center to finish up some work. If you need to freshen up, the bathroom facilities are stocked with toiletries and shaving kits. In-house prayer rooms are available.
