Inflight Connectivity

In this digital fast paced world, we understand how important it is for our guests to stay connected around the clock. On Oman Air stay fully engaged with our On Air GSM and internet data packages at attractive rates, so that regardless which cabin you're in you'll be able to send an SMS or make calls, log-on and check emails, message your friends, surf the web and update your social media. Our First Class guests are exclusively provided with a complimentary wi-fi voucher to stay connected with loved ones.
