Our Wine Selection

Cristal

Louis Roederer Champagne, France

The coveted Cristal by Louis Roederer is one of our Cellar in the Sky Award winners in our collection. Originally created in 1872 for Tsar Alexander II, Cristal is a blend of Grands Crus from the Montagne de Reims, the Vallée de la Marne and the Côte des Blancs. Both powerful and delicate, Cristal is pure pleasure matching the most sophisticated of tastes.

Côte-Rôtie Les Bécasses

M. Chapoutier Rhône Valley, France

A Cellars in the Sky Gold Award winner, this outstanding wine comes from the Côte-Rotie vineyard, one of the oldest in existence in the Rhône valley. The palate is very elegant, ample and spicy with hints of white pepper, offering vibrant red and dark berry flavors that are given spine and lift by juicy acidity. It displays the elegance of Shiraz; very soft, velvety yet with a long finish.
