Inflight Dining

Each of our Premium guests is greeted onboard with a warm and traditional Omani welcome, including Arabic dates and coffee.

A wide ranging menu of both modern and traditional fine dining and Arabic signature dishes is offered in both our First and Business Class cabins.

Our expert chefs use only the highest quality seasonal ingredients and each dish is served on unique, bespoke chinaware.

Our award-winning wines and champagnes are carefully selected to complement your dining experience and all drinks are served in top quality glassware.

In addition to our award-winning wine cellar, we offer a wide range of fine teas and coffee, as well as a wide selection of non-alcoholic beverages.
